## What is it?

The Active Credit Control “Monitored by” logo is a small digital image that is placed onto your invoices, statements and any other customer-facing documents.

## What does it do?

When you use it on all your invoices, statements and reminder letters you harness the power of our mercantile collection agency and protect yourself from bad debts.

It lets your debtors know that we are watching over them and that their payments are monitored.

The typical result is that debtor days reduce and working capital increases!
